A Camp...

...to God's Glory!

Phil Wright and Rick Cornish visited camp "T" on March 19th. They performed some routine maintenance and assessed the work & material requirements. The generator's fuel tank has been filled. Work will begin soon.

Ron Delsordo and Richard Koch spent four days at camp "T" during the week of March 21st. and tied up some loose ends regarding electrical work. Thank you for your diligence !

Concrete for the utility room must be poured soon so that framing and wiring can be done. The goal is to have the electrical inspection scheduled sometime in May.
