spiritual refreshment

In a picturesque valley, surrounded by gentle hills, located 30 miles east of Show Low, AZ

A Camp...

...to God's Glory!

The weather was very wintery this season in the Show Low area, and no further construction work had been done. However, Phil Wright and Rick Cornish are planning a scouting trip to Camp "T" on March 19th. They will assess the work & material requirements and fill up the generator's fuel tank so that work can reconvene soon.

Ron Delsordo is planning another trip during the week of March 21st. to tie up some loose ends regarding electrical work. Another person to help him would be great!

Concrete for the utility room must be poured soon so that framing and wiring can be done. The goal is to have the electrical inspection scheduled sometime in May.
