A Camp...

...to God's Glory!

Six men worked on May 2nd. through May 5th. Concrete was poured for the utility room and four entrance pads. Enough material was left for a light pole pad. Ten yards of concrete was ordered, it was all used up! Numerous more electrical boxes were installed, and wires were pulled for the power in the utility room. Please visit the website page for a picture slide show of this work

Next WORK DAY has been scheduled for MAY 14th. The plan is to frame the utility room and finish the electrical work for inspection by the end of May.
