*A Camp...*

*...to God's Glory!*

Phil Wright, Rick Cornish and Ron Delsordo spent Sunday evening and Monday (8/21-22/2011) at camp. On Monday, they met with the building inspector, who checked off the Main Building's FRAMING, TRUSSES, and ELECTRICAL ROUGH !!!! Praise the Lord!! We still require inspection of the plumbing when we are ready for that step. In the meantime, we may insulate and sheetrock wherever there is no plumbing.

Phil will obtain a quote for the plumbing and the remaining duct work. Then, we need to decide if this remaining work can be accomplished with volunteer labor, or whether we will have enough financial resources to pay for this work to be done. Please pray for wisdom in this regard.

The building inspector also told Phil that if the kitchen and restrooms are completed he will give us a temporary occupancy permit so that we can have Youth Camp 2012 at Camp Tishomingo next year.

We are indeed getting close. Please continue to pray and give toward the Camp Tishomingo construction project, so that we may realize the goal of starting camp there next year.

Thank you for your prayer, help, labor and financial support.

**Fund Drive:** Praise the Lord!. The thermometer at the end of August was \*\*\*\$10,588\*\*\*
